Professional Experience

Alan Clarke has practiced landscape architecture and planning for over 40 years in Hawaii, California and throughout the tropics. An internationally respected landscape architect with special talents in resort, hotel and commercial projects, he has created award-winning and highly recognized projects in over twenty countries.

He was honored by his peers in 1993 when he was elected to Fellowship in the American Society of Landscape Architects.

Alan has been the president of TC&M since its creation in 1981. His leadership of the firm has created an impressive portfolio of completed and successful large-scale projects. With his hand-on approach each project benefits from his creativity and experience.
